Announcement no. 3/2008

### **Maconomy signs substantial deal with Dutch engineering consulting firm**

**Copenhagen, March 27, 2008.** Maconomy today signed a substantial deal with the Dutch institute Deltares. The deal includes a Maconomy Consulting Solution for 800 users and a number of add-on modules.

Deltares provides consulting services and research on water engineering and the subsurface to customers worldwide. The institute has a unique combination of knowledge and experience within delta-related issues. Deltares cooperates with the Dutch government, international governments and other stakeholders. It was founded on 1 January 2008 by a number of engineering consulting and research organisations.

Deltares has purchased a Maconomy Consulting Solution for 800 users with a number of add-on modules, including Project Administration, Finance, SpeedSheet and AnalytiX. AnalytiX, Maconomy's new business analysis software, makes it easy for Deltares to create detailed and fully up-to-date status reports with key figures about the entire business. Deltares plans to start using the implemented Maconomy solution around October 1, 2008.

This announcement does not affect Maconomy's financial expectations for 2008.
